The Dark Zone's last assassin Irukubo was so strong, we thought we could not win and that we needed a miracle to happen...

DON'T BE FAINT-HEARTED! LET'S MAKE A MIRACLE !!

ALL THE PRISM STONES ARE BOOSTING THE MARBLE SCREW-MEPO!!

Ugugu... The power of the stones is too strong...

UGAAAAAAH!!

We can do anything if we try!!

We really did make a miracle...

Guardian of the stones, we leave the Prism Stones to you.

わくわく

I get to see the Guardian again!

As expected of the Legendary Warriors of the Garden of Light!!

Well done!!

カチ

With this, we finally have all seven stones.

Stop that-mepo!! We gotta hurry up and take out our prism stone-mepo!!

Guardian, you always look so cool-mipo!

Now, give me the remaining prism stones, too.

カチカチ…

With this, happiness will return to the Garden of Light-mepo!

I've dreamed of this moment so many times-mipo!

ポワ〜ン!

ピカ〜

What!?
What!?

Look-mipo!!

WOW!!

Amazing. A beautiful rainbow is coming out of my house!!

It kinda looks like we could cross over it...

This rainbow leads to the Garden of Light-mepo.

WOW!

Huh!? Some ball of light is coming...

POPO!

Huh ...!?

What!? What!?

Oww ...

T- That's...

Porun-popo!!

I'm the Prince of Light that guides the way to the future,

Did you, by any chance, come from the Garden of Light?

From now on, we'll be going to the Garden of Light-popo.

A Prince of Light and chosen heroes... Come on...

This time it's popo!?

We're going to the Garden of Light, too!?

WHAAAT!?

Together with Pretty Cure!!

The Queen told me to bring back Pretty Cure-popo.

And the elder is waiting, too-popo.

Now, let's depart-popo!!

Alright! Let's go-mepo!!

ぴゅーん

Waaah!! What amazing speed!!

We'll be okay, right? What kind of place is the Garden of Light, anyway!?

...Even if you say that...

Just wait a minute !!

I don't believe this! I wanna go home!!

I'd never be able to meet with Fuji-P Senpai again with an appearance like that!!

I hate this-nagi!

WHAT!?

we'll have to turn into a shape similar to Mipple and Mepple in order to survive, don't you think!?

Per-haps,

I'm sure it's very far away and dangerous... but we might not be able to come back...

This is the Garden of Light-popo!

Huh... Have we arrived already !?

Wow. It's a beautiful place, don't you think?

Huh ...!?

Thank good-ness!

My appearance is the same as always...

You'll never be cute like Mipple-mepo.

That's obvious-mepo.

That's a sign we're being consumed by the Dark Zone-mepo.

Back in the day, it used to be an entire field of flowers-mipo...

It looks like it was swallowed by something scary, doesn't it...

What happened there?

Mepple!

Mipple!

How awful ...

It must have been a truly peaceful place...

The Elder is waiting-popo, so let's go to the Palace of Light-popo.

So they are the Legendary Warriors, huh?

This is the first time I've seen them, too-dapo.

Welcome home, Mipple.

I'm glad that I could see you all again-mipo.

Mepple, welcome home-pepo.

Welcome home-nipo, Porun.

I'm back-popo!

Thank goodness. Thank goodness.

Mepple, Mipple, thank goodness you have come.

Elder-mipo!

Elder-mepo!

Legend-ary...

Oooh. So you two are the...

some-thing...

The Legend-ary...

Uuuuh. The Legend-ary...

Aaah. That's right. It was the Legendary Warriors...

The Legend-ary Warriors-mepo!

And Yukishiro Honoka-mipo!

This is Misumi Nagisa-mepo.

Nice to meet you.

H-Hello.

...Who?

Yoko...

Wha aat ...?

Yoko... and Keiko, didn't you?

So you really did gather all seven stones...

right!?

It's only because we acted recklessly ...

N... No...

Thank you so much.

The two of you have done a great job.

And the origin of such power is the Prism Stones.

Life, hope and all are born from the Power of Light.

and this Garden of Light would have been tormented by the power of darkness, and would have completely vanished...

If we did not have your power... we would have already been robbed of all seven Prism Stones...

Now, we shall meet the Queen.

Do you think she'll give us an award!?

The Queen said that she wanted to meet the Legendary Warriors.

Wow! What a high ceiling!

Huh? Where's the queen?

I have brought the Legendary Warriors, Queen.

The Queen is right in front of you.

Where is she?

Right in front of us?

AAAH!

S... She's huge!!

T... The Queen ...

Uee hee hee hee.

It is a pleasure to meet you.

Nagisa, Honoka,

I am glad that you have come. Also... Thank you for protecting Mepple and Mipple.

R... Right.

At last, this Garden of Light can be restored.

Mepo!!

Mipo!!

Umm... But, why did you give such an important task to normal junior high students like us?

Yeah..

Right, Honoka

That's, umm, well... To be brief...

The reason lies in the depths of your hearts.

The depths ...

of our hearts?

That's right. That is what inspired me.

Huh...? The heck does she mean by that...?

Beats me...

You did good, Mipple and Mepple.

He's crying...

うるうる

Thank you! I'm so happy-mepo!

You honor us with your words, Queen-mipo.

Thank you so much.

Mepple, Mipple, you both protected the stones well.

Certainly, Queen.

For that reason, please go to the Hill of Light from now on.

In order to revive the Garden of Light, it was necessary to obtain the power to create all from the Prism Stones.

Thanks to you all, we were able to gather all of the seven stones.

In order to summon the power of the seven stones, namely the power to create all, we will need your cooperation.

Umm... What do we have to do?

This is the only place that has not been devoured by the power of darkness.

The Hill of Light !?

The other person is the Queen.

The Queen is always with us.

Popo popo!!

Well, you see, it is necessary for seven of us to gather in this place.

But...

We only have six people...

Where is the other person ?

We're going to summon and use the Prism Stones! Aaaah! I'm so excited!

I'm jealous... of Honoka's personality ...

Now... without delay...

In the name of the Queen ...

You called ?

Wow! You're so cool, Guardian-mipo!

Not this shit again mepo!

Guardian of the Stones, Wisdom!

For the sake of restoring the consumed Garden of Light, we have obtained the power to create all.

Certainly!

And grant unto us that great power in the name of Queen of the Garden of Light.

Now, as we gather on the Hill of Light, please make our hearts one.

Ho

Ho

Ho

come forth here now like a spring!

The power to create all,

Ha.

AH!

Shouldn't he have returned to the darkness ?

I-It can't be! Irukubo !?

I CANNOT ALLOW YOU TO SUMMON THE POWER TO CREATE ALL!!

ANGER, HATRED... ALL OF IT THAT I CARRY IN MY BODY HAS BEEN INCREASED BY THE POWER OF DARKNESS !!

THE SEVEN STONES, BY ALL MEANS, I'LL-!!

He's been revived, and has come to the Garden of Light...

I'm scared-popo!

RIGHT!!

HONO-KA!! LET'S GO!!

EMISSARY OF LIGHT, CURE WHITE!!
